05.01.2021 Summing-up, plans for the year and the month, tasks for the forthcoming conference in February 2021

For those who would like to join the procedural assistance of the Conference we have optional group work "Methodosophical support of the conference" that will take place during business days 9:00 am-12:00 p.m

As long as the Conference in certain way means overcoming the Threshold for the Anthroposophical community, it is quite possible that the participants also will meet the Keeper of the Threshold and the *beasts of the Abyss* will appear before them. That is why for productive work of the Conference on the

whole we need to avoid the *Dyatlov Pass*. For this inside of the methodosophical group Manichean gateway is created where any non-constructive criticism can be put as may be necessary.

To take part in the Conference you need to fill in the application form using the link <https://docs.google.com/forms/d/1f0a6W5KocAi4COTjD1Q56n-pmQXrXZ-RaNnNHWB8trk/edit> and make payment for the amount of **20 EUR before 25.12.2020: a/c 5168 7554 4840 2046 –Tetiana Fedinchuk – for UAH.
